GETTING READY FOR THE 4TH. Small Boys Look Forward to a Day | The Supreme Body of the National Union of Much Noise.

THE TOY PISTOL AND THE EAR-SPLITTING TORPEDO ALREADY MAKE THEIR APPEARANCE-REGULA-TING THE SALE OF FIREWORKS-PRECAUTIONS Small children all over the city, enthused

with a desire to celebrate their independence on the coming Fourth of July, have already commenced to give their ammunition a trial to determine which kind will make the most noise. One of their amusements in this direction is the placing of paper caps on street-car tracks, which are exploded by the cars passing over them. The noises made by a number of such explosions in rapid succession would frighten almost any animal other than a car horse and cause serious damage.

Other horses, however, do get frightened and two or three runaways, without serious results, have already taken place. The deadly toy pistol is also out in full force, although it is early in the season. Some of the pistols are made of bright metal and resemble the ordinary revolver, and it is that style that most of the boys now have. Many of the boys have a habit of frightening persons on the street by suddenly drawing the toy pistols from their pocket and aiming them with some sort of

power to do so to throw every safeguard possible around the sale and use of fireworks.

Section 4 of article 9, of the police reguations prohibits the manufacturing, storing, keeping or using of fireworks within the Dis trict without a permit previously obtained from the chief of police.

Section 5 of the regulations says that no gun rifle, pistol or other firearm shall be discharged within the cities of Washington or Georgetown

more than \$50 for the fifth section. Section 4 of the act of January 29, 1863, provides against the sale of firearms, gunpowder, gun caps or other explosive substances to children under the age of sixteen years and fixes penalty of \$5 for every such offense.

In compliance with the sections of the police regulations mentioned dealers in fireworks are already putting in their applications for permits. About seven hundred have already applied and it is thought that before the Fourth of July several hundred more applicants will appear.

THE PERMITS ISSUED. The permits issued read as follows: "Permission is given to --- No. --- to store and sell fireworks from --- to ---, provided no sales are made to any child or children under the age of sixteen years, and further that the arranged which will be enjoyed in the interfireworks will not be sold from stands or stalls on the public streets." The first provision, as already stated, is a law

and is found in Webb's digest, and the other provision is in the form of a rule or regulation governing the issuing of the permits. Maj. Moore deemed it necessary to adopt the latter provision as a precantion against danger to both person and property, as mischievous persons are apt to set fire to them. Last year ome one threw a lighted cigar on a fireworks stand and set fire to the stand. If the terms of the permits are complied with by the dealers

terday afternoon to wet the ball grounds sufficiently to prevent the game with Wilmington, with the soft, evaporating, disappearing quality of the Washington rain, came to the conimpossibility, and consequently were guilty of the offense of not reporting. Manager Sullivan, his colts, and a small crowd were in attendance at the grounds, but as the other side did not turn up the game had to be called off, in face of a comparatively dry diamond.

It is probable that the announcement made vesterday by Manager Sullivan that he had secured the services of Jack Wentz, the crack second baseman of the Texas League, is probably the forerunner of other changes in the home team. O'Brien's habits of late have not been good, and his release was a matter of necessity. Wentz has a good record and is thought to be a steady man. A dispatch was sent out of town last night to the effect that program. Prof. Hawks of Baltimore in his Sullivan was also searching for a new shortstop, being displeased with the poor showing made by Gleason of late. The veteran's habits are exemplary, but he has a faculty of making disastrous errors, which are not June 20th, always compensated for by hits. A count of the record of the last thirty-three games played by the club, in each of which Gleason took part, shows that he made 21 runs, 34 hits, with a total of 40 bases, 47 put outs, 94 assists, and 24 errors. Manager Ted had better go slow before releasing Gleason, as it is not an easy matter to find so good a man at this period in the season. He is making an effort

to sign Catcher Wehrle, also of Texas. GAMES YESTERDAY. Baltimore took a close game from Newark. 5 to 3, by means of two bunches of hits. German and Townsend and Sullivan and Duffy were the batteries. Baltimore made 9 hits and 3 errors and Newark 9 hits and 1 error. New Haven had a good time with Hartford,

made 15 hits and 2 errors and the other Yankees 4 hits and 5 errors.

The Worcester team crushed that of Jersey City on the latter's grounds, 20 to 5. The batteries were McDermott, Eckhardt, Dowd and Murphy and Burns and Guinasso. The ex-

champions made 16 hits and 6 errors and the Gladiators 6 hits and 9 errors. Other games were: National League.-Boston, 10: Philadelphia, 0. Boston, 3; Philadelphia, 2 (13 innings). Brooklyn. 5; New York, 4. Cincinnati. 7; Cleveland. 3. Pittsburg, 3; Chicago, 7. Pitts-

burg, 4; Chicago, 3. American Association.-Athletic, 6; Brooklyn, 3. Rochester, 11; Syracuse, 6. Players' League.—Philadelphia, 13; Boston, 11. Boston, 12; Philadelphia, 2. Brooklyn, 7; New York, 6 (10 innings). Cleveland, 7; Chi-

cago, 6. Pittsburg, 10; Buffalo, 8.

NOTES. The Senators and Gladiators are tied for fifth place.

Newark has released Pitcher Mace, late of Washington. Sullivan wants to build up a team composed entirely of young blood.

The Post Boys will play the Douglass Club, colored, at Atlantic Park on Friday at 4:30 p.m. A close and exciting game may be expected. Parson Hill, captain, has made eleven hits in oble commander, Samuel Howison; organist, the last ten games, with a total of thirteen

The Ferson base ball team of East Washington defeated the Hoys Sunday in a twelveinning game by a score of 14 to 9.

Jordan made thirteen hits in the ten games last played and took twenty-seven out of thirtytwo fielding chances. He is improving very much in his play.

Honoring Messrs. Wolf and Blout. The ladies of the Rebecca Lodge, an organization that has been in existence for the past twenty-five years, tendered to Mr. I. L. Blout, their secretary, and to Mr. Simon Welf one of their secretary, and to Mr. Simon Wolf, one of their trustees, a banquet at the Schuetzen Park last evening previous to their departure for Europe on the 26th of this month. It was a well-managed affair. The tables were all bedecked with flowers, among which appeared a handsome basket of flowers sent by Mr. and Mrs. G. Lansburgh. The menu was all that could be desired and a band discoursed music during the banquet. An address was made by Mrs. Henry Franc, president of the lodge, expressing the esteem in which these gentlemen were held, and the hope that their trip to the fatherland would be one of unalloyed pleasure. Mr. Blout, in response, said that this apprecia-tion compensated him for all the little troubles he might have encountered in the capacity of secretary. Mr. Simon Wolf made an eloquent response, stating that it was indeed a distinc-tion to be so honored by the ladies. Mrs. Samuel Herman, the ex-president, also made a brief address.

Wills Filed. Yesterday the will of the late Edward McManus was filed. He leaves his estate to his leaving his estate to his widow and children, was also filed.
